Graduate Frontend Developer | UX/UI Designer

Professional Profile

Graduate Web & UX Designer (BSc Hons, 2026) with a Computer Science background and hands-on experience designing responsive, user-centred digital products. Skilled in Figma, HTML, CSS and JavaScript, with a strong understanding of UX principles, accessibility (WCAG) and responsive web development. Passionate about creating intuitive user experiences and eager to contribute to a collaborative Frontend or UX/UI Design team.

Technical Skills

Frontend: HTML5 • CSS3 • JavaScript • Responsive Web Design • GitHub • Visual Studio Code

UX/UI: Figma • Wireframing • Prototyping • User Research • User Journey Mapping • Interaction Design • Accessibility (WCAG)

Design Tools: Adobe Photoshop • Illustrator • InDesign • CorelDraw • Dreamweaver

Methodologies: User-Centred Design (UCD) • Agile • User Testing

Project Experience

UX/UI & Frontend Portfolio Projects | Sept 2025 – Present

- Designed responsive websites and interfaces for desktop, tablet and mobile.
- Created wireframes, user flows and interactive prototypes using Figma.
- Developed responsive frontend solutions using HTML, CSS and JavaScript.
- Applied accessibility standards and user-centred design principles throughout the design process.

Interaction Design Projects | Sept 2022 – Jun 2025

- Conducted user research and usability testing to improve user experience.
- Designed accessible interfaces based on user needs and feedback.
- Produced interactive prototypes and responsive layouts for academic projects.

Professional Experience

Amazon Flex Logistics Driver | AJWL Logistics / Amazon

Oct 2025 – Feb 2026

- Delivered parcels while consistently meeting strict delivery targets.
- Managed routes using logistics software and adapted to changing schedules.
- Demonstrated strong problem-solving, organisation and customer service skills.

Warehouse Operations Specialist | Various Employers

Sept 2020 – Feb 2025

- Worked efficiently in fast-paced warehouse environments.
- Used digital inventory systems to maintain operational accuracy.
- Collaborated with teams to achieve daily productivity targets.

Freelance Logo Designer | Self-Employed

Feb 2016 – Jan 2019

- Designed custom logos and branding assets for a range of clients.
- Managed projects from concept to final delivery.
- Built strong client communication and project management skills.
